

RCG To Do List
Yolo Bypass
June 1-2, 2005

EM	In meeting Summary, address RCG belief that the FWS should designate more time/budget to the facilitator position.
RW/BC	Draft preliminary list of information bottlenecks.
CB	Draft and provide annual report to Ken McDermond.
CB/FWS	Draft annual report (above) to RCG before July 26.
CB	Set up conference call, subject: policy for lethal take of eagles.
CB	Set up stakeholder group.
RS/RW	Develop recommendation in response to analysis 3.6. The RCG developed two primary thoughts about the possible need to establish populations at a mainland captive facility. RS and RW will each work on one.
EM	Send recommendations (above) to Land Managers with Analysis 3.6.
CB	Contact CNO management, is it premature to start contacting mainland facilities?
EM	Send out agenda for July conference call.
EM	Send 3.4 to Integrated Team.
RS	Update Agenda for annual meeting.
FWS	Make colored table available as handout for annual meeting.
CB/RS	Look into covering 2 more people (possibly Marsha Sovada, Jonna Mazet and/or Deanna Fritcher) since Rosie is not attending and Kathy Carlstead is already covered.
CB/EM/RS	Conference call Monday or Friday, make CD copies of analysis and recommendations to handout for annual meeting.
PS	Check SB zoo for possible items to give to people for their work and time on task forces.

Carryover:

EM(ongoing) Distribute PDFs of all new publications to everybody on fox group as soon as they become available (request that whole group submit PDFs that they had authorship on send them to facilitator to distribute to whole group).

CB Ask Dave Garcelon to step down as chair of Expertise Group; then notify larger group that he stepped down and why—say new chair will be chosen at June mtg.
